CAREER OBJECTIVE

Aspiring AI & Machine Learning engineer with hands-on experience in Python-based projects and a strong foundation in programming, problem-solving, and teamwork. Adept at applying technical and analytical skills to real-world applications, with proven participation in national-level sports demonstrating discipline and leadership

ACADEMIC PROFILE

- **Vasireddy Venkatadri International Technological University | AIML** Namburu, AP | 2023 – Present
 - CGPA : 7.5
- **VIT Junior College | MPC** Narasaraopet , Ap|2021-2023
 - Marks : 809
- **Narayana Public School | SSC** Ongole , Ap|2020-2021
 - Marks: 600

SKILLS

- **Programming languages:** C Programming ,Java ,Python,SQL
- **Technologies:** Machine Learning ,Git ,VS code
- **Coursework:** HTML,Computer Networks, Operating Systems
- **Creative Tools:** Canva , Video Editing,
- **Other:** Public Speaking

PROJECTS

- **Title: College Quora**
 - Technologies used: **Python, MySQL**
- **Title: Emotion Detection using DeepFace**
 - Technologies used: **Python, DeepFace, OpenCV**

CERTIFICATIONS

- Python Programming – CodeTantra
- Machine learning using python – simplilearn
- The complete flutter development bootcamp with dart - Udemy

COCURRICULAR ACTIVITIES

- **L4G (Learn for Growth) Program – 2024**
 - Participated in industry-driven training program focusing on emerging technologies, professional development, and collaborative learning.
- **Data Analysis Using Python - 2025**
 - Hands-on training on Python libraries for data cleaning, visualization, and analysis (NumPy, Pandas, Matplotlib).
- **E-SUMMIT 2025 – IIT BOMBAY**
 - Participated in the E-Summit of IIT Bombay Ecell on 2025.
- Active participant in **CodeChef contests** and various coding competitions.

EXTRACURRICULAR ACTIVITIES

- **Sports – Fencing**
 - Participant in Inter-University and Inter-College Fencing Championships. (2023 – 2024).
 - A Participant in under 19 National Level Fencing Championship.(20201-2022)
